EXAMINER'S AMENDMENT

1. The applicant's election of claims **21-30** is acknowledged.

Claims **21-30** are allowable over prior arts of record for reason stated below.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims **1-20 and 31-34** are canceled as directed to non-elected invention.

REASON FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

The prior arts fail to teach or fairly suggest a method of testing a memory device including a plurality of even bit lines each coupled to an even reference supply line and a plurality of odd bit lines each coupled to an odd reference supply line. The improvement consists of the steps of "**generating even test voltage on the even reference supply line as a function of physical location along the even reference supply line**", "**generating an odd test voltage on the odd reference supply line as a function of physical location and along the odd reference line**", and "**testing at least one sense amplifier using at least one test cell coupled to the even**
